

UNAPOLOGETICALLY PRESENT

I belong here.

UNAPOLOGETICALLY PRESENT

This project will be incomplete without my contributions.

UNAPOLOGETICALLY PRESENT

In my own way, I am a pioneer in this industry.

UNAPOLOGETICALLY PRESENT

It is normal to feel insecure but it is equally possible to feel empowered.

UNAPOLOGETICALLY PRESENT

The more I learn, the more essential I am to my team. Whether it is acknowledged or not, I know I am of value.

UNAPOLOGETICALLY PRESENT

Today is the day my humility must make way for owning and showcasing my brilliance.

UNAPOLOGETICALLY PRESENT

Others with less qualifications than me have succeeded. I certainly am an asset to every team, table, and organization.

UNAPOLOGETICALLY PRESENT

I am blazing a trail. Those who come after me to will be led by the path I have been brave enough to walk.
